

The Frank Barnes Group

As an ordinary member of the

British Metals Recycling Association 2016

this company is committed to:

- ✎ Maintaining high standards of commercial conduct and business ethics with other members, customers and suppliers.
- ✎ Representing the common interests of the metals recycling industry.
- ✎ Observing the highest practical standards of environmental care and protection.
- ✎ Observing the need for good practice in health and safety.
- ✎ Maintaining adequate public and employee liability insurance cover.
- ✎ Cooperating with local authorities, regulators and other public servants.

President:
